What lies before you is the culmination of a provocative project to deliver the purest, cleanest, most environmentally friendly wine ever produced in such capacity. **Vine to Glass (V2G)** has worked to ensure that all of the farming practices are void of chemicals, insecticides and pesticides, both in the soil as well as on the plant.

Put simply, **V2G** is wine as it should be— pure. There are no additives to enhance the flavor and the wine is totally sulfite-free. As you prepare to enjoy **V2G**, please allow it a few moments in your glass as it takes its first breath and adapts to its surrounding.
